Additional Information / Prior Funding History:
FY2006 - $1,766,500; FY2002 - $1,400,000; FY1999 - $233,500.

Project Description/Justification:
The new weighing system facility will facilitate simultaneous axle group and gross weight indications for truck weight enforcement. The new weigh stations will be located on a divided multi-lane interstate highway, which requires two weigh stations to serve opposite sides of the roadway.
