	Amount	Staff
Project Development:	0	0
Ongoing Operating:	0	0
One-Time Startup:	0	
Totals:	0	0

Additional Information / Prior Funding History:
See Facility Deferred Maintenance.

Project Description/Justification:
Funding is requested for floor leveling and mold remediation in the Palmer State Office Building. While performing tenant improvements for the Alaska Court System in Phase I of the renovation, unforeseen conditions were identified by the contractor. Behind covered columns and beams mold was discovered which requires abatement. Additionally, the existing floor had various high and low points requiring releveling prior to the construction of new interior walls. This condition exists in the old medical wing where current renovations are underway.
