Brief Summary and Statement of Need:
State match is required for approximately $580 million in federal-aid highway funding. These funds may also be used for advanced acquisition of Right-of-Way (ROW) parcels for projects that are eligible for federal funding. This ROW can be used in lieu of the state matching funds on a federally funded project. Sections 21(b), (h), (i), and (j) reappropriate prior capital project balances to match.
