## **Project Description/Justification:**

The project creates local construction jobs and heritage tourism opportunities. It prolongs the functional life of existing buildings, thereby contributing to the conservation of resources and infrastructure. It preserves heritage resources important to a community's quality of life.

### **Specific Spending Detail:**

The project will fund restoration work on historic buildings including repairs and replacement of roofs, windows, siding and foundations. Restoration work will meet the Secretary of Interior's Standards and Guidelines for Restoration and Rehabilitation of Historic Buildings.

#### **Project Benefits:**

Historic buildings will be restored, repaired, and used. Alaskans will benefit from significant heritage resources, physical reminders of our state's history, being preserved and continuing a functional use as part of our communities.

### **Project Support:**

The Department of Defense, the Alaska Historical Commission, state and local historic preservation and economic development agencies and organizations, and the Nike Site Summit Task Force actively support this project.

#### **Project Opposition:**

There is no known opposition.
