Project Description/Justification:

Project Description:

This request will provide competitive capital grants for agencies providing services, activities, and programs for individuals with substance abuse disorders. Agencies and programs providing chemical dependency treatment services need equipment to improve the effectiveness, efficiency, and quality of their programs. Program equipment needs include furnishings; medical/therapeutic equipment; equipment to accommodate disabled persons such as hearing aids, special recorders, and wheelchairs; computers; kitchen equipment; building maintenance equipment; general office equipment; copiers; FAX machines; and other equipment necessary to operate an agency or program. Vehicle acquisition is not included in this proposal.

Results: *Comprehensive Plan:* Health
Safety

Results Within Our Reach: Strategy #13-Develop sufficient resources to meet community needs for appropriate levels of treatment for adults, youth, and special populations.
