Additional Information / Prior Funding History:**Project Description/Justification:**

Through the SBDC, the Procurement Technical Assistance Center has the mission of creating and retaining jobs, fostering competition and lower costs for the government, and helping to sustain the armed forces' readiness. In Alaska the, PTAC services include: rural outreach throughout the state, specialized training, helping all Alaskan businesses to keep in touch with area specific contracting opportunities, and helping business in the rapidly changing area of electronic commerce. PTAC Alaska's most popular service is an electronic matching of products/services with government sales opportunities. Electronic Bid Match is updated daily with sales opportunities from governmental posting sources.
