

Barrow: Access Roads for the Barrow Arctic Research Center	FY2009 Request:	\$510,000
	Reference No:	41735

AP/AL: Allocation Category: Transportation Location: Barrow House District: Arctic (HD 40) Estimated Project Dates: 07/01/2008 - 06/30/2013 Appropriation: Surface Transportation Program	Project Type: Construction Contact: Frank Richards Contact Phone: (907)465-3900
--	--

Brief Summary and Statement of Need:
 Construct a new road connecting Cake Eater Road to the new Barrow Arctic Research Center, approximately one mile in length. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Funding:	FY2009	FY2010	FY2011	FY2012	FY2013	FY2014	Total

Additional Information / Prior Funding History:
 FY2007 - \$2,550,000 SAFETEA-LU Earmark. Local match required.

Project Description/Justification:
 This project will establish a permanent inland route that is less susceptible to flooding and erosion and will also enhance the community link between Barrow, Browerville, and the National Atmospheric Research Laboratory. A section of the existing beach road has been degraded due to repeated seasonal flood events.

Upon project completion, operating and maintenance will be handled by the North Slope Borough.
