This is a new FY2009 Capital Budget Request. This project consists of installing airport lighting, which includes Precision Approach Path Indicators (PAPI's), Runway End Indicator Lights (REIL's), and Runway Edge Lighting at eight rural state airports. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

FY2004 - \$4,000,000.

Project Description/Justification:

This project consists of installing airport lighting, which includes Precision Approach Path Indicators (PAPI's), Runway End Indicator Lights (REIL's), and Runway Edge Lighting at the following eight rural state airports:

1. Akhiok
2. Akiachak
3. Akutan
4. Chalkyitsik
5. Chefornak
6. Crooked Creek
7. Kipnuk
8. Tuluksak

Airports may be added to or removed from this list depending on funding availability and program development needs.

Lighting all DOT&PF airports is a department goal. The State maintains approximately 256 Rural System airports, but many of them did not have airport lighting prior to 2001. This request is part of an ongoing effort to provide 24-hour rural access to medical facilities as identified in House Report 106-940, *Aviation Access to Remote Locations in Alaska* that
