

State of Alaska FY2010 Governor's Operating Budget

Department of Administration Property Management Component Budget Summary

Component: Property Management

Contribution to Department's Mission

Maintain the State's inventory control system and provide management of Executive Branch assets.

Core Services

- State Property Accountability:
- Assist agencies to maintain the most accurate and effective management system for property control.
- Provide guidance and direction including training, development of procedures, and accountability reviews.
- Maintain a billion-dollar statewide inventory system.
- Develop standardized property accounting procedures to provide physical count and evaluation of personal property assets.
- Assist agencies to provide accurate inventory reports for the State's Annual Financial Report, and to Risk Management, Emergency Services, the Legislature, and other interested parties.
- State Surplus Property Disposal:
- Coordinate statewide reutilization efforts to locate and transfer available excess property items to state agencies.
- Direct agency property trade-in requests, disposals and destruction of state owned personal property.
- Store, display, and market excess property items.
- Conduct cost effective public sales of excess and obsolete personal property generating an optimum return of revenue to the state.
- Collect and deposit sale revenues, and disperse proceeds to appropriate state accounts.
- Encourage and enhance recycling efforts.
- Federal Surplus Property Program (FSPP):
- Acquire, warehouse, allocate, and distribute donated surplus property to eligible program participants.
- Reissue usable surplus property by direct transfers within rural areas of Alaska.
- Assess and collect service fees sufficient to fully cover the cost of operations.
- Execute and administer agreements pursuant to eligibility, acquisition and utilization of property as required by federal law and the State Plan of Operation.
- Market benefits of available assistance to prospective client organizations to achieve increased statewide participation.
- Train and assist participants to locate and obtain available property.

FY2010 Resources Allocated to Achieve Results

FY2010 Component Budget: \$958,000	Personnel:	
	Full time	7
	Part time	0
	Total	7

Key Component Challenges

- Improve operational efficiency, customer service and cost effectiveness by continuing to explore ways to minimize outlays and expenses and eliminate unnecessary redundancy.
- Continued support in assisting GSA with the promoting of Federal donations to state agencies and non-profit organizations.
- Increased competition from Federal Program eligible recipients.
- Maximize sales revenue from State of Alaska Equipment Fleet reduction of inventory.

Significant Changes in Results to be Delivered in FY2010

Increase public awareness of surplus property availability and increase sale revenue by using alternative auction services like EBAY and other emerging technologies.

Major Component Accomplishments in 2008

- Conducted three outcry auctions and three sealed bid sales, collecting \$1.35 million in revenue.
- Received \$358,375 in General Fund Program Receipts.
- Distributed federal property with original acquisition costs of \$5.75 million, collecting service and handling fees of \$333,968 resulting in significant savings to our qualified recipients.
- Re-issued over \$135,000 in state surplus property among departments.
- Successfully negotiated an agreement between the Federal General Services Administration and the Small Business Administration. This resulted in Alaskan 8 (a) companies, also known as disadvantaged companies, to acquire federal surplus property at a fraction of the cost of new equipment.
