**Brief Summary and Statement of Need:**  
This project will provide funding to the City of Nuiqsut so that the city can continue to provide Title 29 governance. Funding will be used to maintain administrative staff that performs the various governance tasks to ensure that Nuiqsut will function as a 2nd class city. Nuiqsut is being overwhelmed by the expanding oil and gas industrial infrastructure. Emphasis will be placed upon maintaining and improving the ability to perform required governance tasks, interaction with oil and gas industry representatives, interagency state and federal compliance, maintaining cultural identity, expanding recreational opportunities, and seeking additional funding for identified governance projects.
