Additional Information / Prior Funding History:

FY2007 - \$765,000; FY2004 - \$320,000; FY2002 - \$915,000; FY2000 - \$265,000.

Project Description/Justification:

This project will provide access to the new landfill location. The old landfill must be abandoned due to the proximity to the new airport. Funding for the new landfill through the United States Department of Agriculture is now secured and construction will commence once the Department of Transportation and Public Facilities completes roadway construction.
