

Ted Stevens Anchorage International Airport: Advanced Project Design and Planning	FY2010 Request:	\$3,500,000
	Reference No:	41525

AP/AL: Allocation	Project Type: Construction
Category: Transportation	
Location: Anchorage (Sand Lake)	Contact: Christine Klein
House District: Sand Lake (HD 27)	Contact Phone: (907)269-0724
Estimated Project Dates: 07/01/2009 - 06/30/2014	
Appropriation: Airport Improvement Program	

Brief Summary and Statement of Need:
 Complete planning analysis, financing plans, preliminary engineering, environmental, surveying, geotechnical investigation, cost estimating, feasibility analysis, and design of future capital improvement projects; and prepare for future Airport and tenant development. This is needed to do advance work on projects to better define their scope and cost prior to initiation of the final design and construction. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Funding:	FY2010	FY2011	FY2012	FY2013	FY2014	FY2015	Total
Fed Rcpts	\$2,000,000						\$2,000,000
Int Airprt	\$1,500,000	\$1,500,000	\$1,500,000				\$4,500,000
Total:	\$3,500,000	\$1,500,000	\$1,500,000	\$0	\$0	\$0	\$6,500,000

Ongoing Operating:	0	0
One-Time Startup:	0	
Totals:	0	0

Additional Information / Prior Funding History:
 FY2009 - \$2,000,000; FY2007 - \$3,000,000.

Project Description/Justification:
 This project provides planning analysis, financing plans, preliminary engineering, environmental, surveying, geotechnical investigation, cost estimating, feasibility analysis, and design of future capital improvement projects. Prepare for future Airport and tenant development.

Design funds are needed prior to construction funds to avoid impacts on airline fees, allow estimates to be refined before constructing, and place the airport in a better position to compete for federal discretionary funds. Funds allow the airport to timely complete design, environmental permitting, and community involvement efforts needed for Federal Airport Improvement Program (AIP) funding. Some projects will be designed to a schematic level. Completion of studies, plans, cost-benefit analysis, and other evaluations provide critical information and advance preparation for future projects.
