

Barrow: Airport Runway - Apron Paving and Safety Area Expansion	FY2010 Request:	\$7,200,000
	Reference No:	47757

AP/AL: Allocation Category: Transportation Location: Barrow House District: Arctic (HD 40) Estimated Project Dates: 07/01/2009 - 06/30/2014 Appropriation: Airport Improvement Program	Project Type: Construction Contact: Christine Klein Contact Phone: (907)269-0724
---	---

Brief Summary and Statement of Need:
 This is the fourth stage of reconstructing the Barrow Airport. Work will include paving the runway, taxiway and apron, safety area expansion, airport lighting, navaid relocation, and snow removal equipment pad expansion. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:
 FY2007 - \$2,976,250; FY2004 - \$4,900,000.

Project Description/Justification:
 The original project was begun in 2003 and planned to be a five year effort due to the short construction window in Barrow. The Barrow material source must be blasted and thawed which takes several seasons to thaw and drain.
