**Additional Information / Prior Funding History:**  
 None.

**Project Description/Justification:**  
 McCarthy Road, between MP 1.6 and MP 2.8, was significantly damaged by the October 2006 extreme storm and flood event. Emergency repairs were completed shortly after the disaster to restore essential traffic. This project will make the permanent repairs that are necessary to restore the roadway to pre-disaster condition and restore access between the bottom and top of the Kotsina Bluff.
