

Anchorage Metropolitan Area Transportation Solutions (AMATS) Congestion Mitigation Air Quality (CMAQ)	FY2010 Request:	\$2,000,000
	Reference No:	47874

AP/AL: Allocation	Project Type: Construction
Category: Transportation	
Location: Anchorage Areawide	Contact: Frank Richards
House District: Anchorage Areawide (HD 17-32)	Contact Phone: (907)465-3900
Estimated Project Dates: 07/01/2009 - 06/30/2014	
Appropriation: Surface Transportation Program	

Brief Summary and Statement of Need:
 The Anchorage Metropolitan Planning Organization (MPO) selects surface transportation improvement projects, except on the National Highway System, for receipt of federal highway funds within the Municipality of Anchorage. This process results in an approved AMATS Transportation Improvement Program (TIP) which prioritizes and describes the capital projects to be funded in the coming years, and is the leading program that implements the Anchorage and Eagle River Long-Range Transportation Plans. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Funding:	FY2010	FY2011	FY2012	FY2013	FY2014	FY2015	Total
Fed Rcpts	\$2,000,000						\$2,000,000
Total:	\$2,000,000	\$0	\$0	\$0	\$0	\$0	\$2,000,000

Project Development:	0	0
Ongoing Operating:	0	0
One-Time Startup:	0	
Totals:	0	0

Additional Information / Prior Funding History:
 None.

Project Description/Justification:
 FFY2010 will be the first year for federal funding allocated under an as-yet undeveloped federal highway transportation bill. The MPO in conjunction with the Department of Transportation and Public Facilities will be developing the TIP for FFY2010 and 2011 based on funding assumptions made from the current highway bill, SAFETEA-LU and apportioned to the MPO based on a formula derived in state regulation 17 AAC 05.155. The 2010 legislative authorization is requested for the mandatory Congestion Mitigation Air Quality program without specific project designations until such time as a draft TIP has been developed and specific projects are identified.
