

Delete: Fairbanks: Phillips Field Road Rehabilitation

FY2010 Request: \$0

Reference No: AMD 48213

AP/AL: Appropriation

Project Type: Construction

Category: Transportation

Location: Fairbanks Areawide

Contact: Frank Richards

House District: Fairbanks Areawide (HD 7-11)

Contact Phone: (907)465-3900

Estimated Project Dates: 07/01/2009 - 09/30/2010

Brief Summary and Statement of Need:

This amendment to the FY10 Governor's Budget is being requested due to the State's current economic situation. This project will be requested as part of the Governor's Federal Highway program. Rehabilitate Phillips Field Road between Illinois Street and Peger Road. Work will include resurfacing and paving, shoulder widening where possible for pedestrians and bicycles without acquiring right of way, drainage improvements and appropriate signage. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

Phillips Field Road is an important east-west connection through an industrial area in Fairbanks. Due to heavy truck traffic the surface is cracked, rutted and uneven. Resurfacing is necessary to preserve the life of the road. Shoulders are very narrow and in most areas non-existent.

Construction would be completed in the summer of 2009.
