**Brief Summary and Statement of Need:**

This is a new FY10 Capital request. This project will construct supplemental wind cones for Kotzebue Runway 8/26 and access restriction gates to the North and South of Runway 8/26. The project also includes minor road realignment, signing, enhanced taxiway markings and other improvements needed to address Federal Aviation Administration (FAA) regulatory compliance issues at Kotzebue Airport. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.
