**Additional Information / Prior Funding History:**

Refer to the funding matrix in the detailed description.

**Project Description/Justification:**

**1. Community Services Block Grants:** As authorized by federal Public Law 97-35, throughout the United States the federal Department of Health and Human Services (H&HS) has designated 950 Community Action Agencies (CAAs) -- all of whom may then receive federal funding that passes-through their appropriate state agency. Within Alaska the federal H&HS has designated only one CAA -- that entity is the non-profit corporation Rural Alaska Community Action Program, referred to as RurAL CAP.

RurAL CAP's mission is to protect the heritage of, while also improving the quality of life for, low-income rural Alaskans. This is accomplished through educational programs such as alcohol and drug abuse prevention programs, fetal alcohol syndrome prevention programs, and child development programs; adult training; affordable housing programs; advocacy for low-income individuals and instruction on how to advocate for themselves.

**Community Block Grants****FY2012 Request: \$6,571,000****Reference No: 38946**

This program has been in existence since before 1980. The federal H&HS provides 100 percent of the funding which has averaged \$2,485,000 annually. For FY12, DCCED anticipates \$3 million in federal funding.

**2. Community Development Block Grants:** This program provides grants not to exceed \$850,000 to municipalities for planning activities, infrastructure projects, and economic development activities which benefit low to moderate-income individuals.

This program has been in existence since 1983. The federal Department of Housing and Urban Development (HUD) provides the funding, which ranges from \$3.0 to \$3.5 million annually with a State match of about \$70,000. The program requirement is a 2% state match. For FY12, DCCED anticipates \$3.5 million in federal funding with a state match of \$71,000.
