Project Description/Justification:

The purpose of this project is to address specific major repair and/or replacement items identified in a five-year review.

The projected outcome is to:

- Reduce maintenance costs,
- Increase the useful life of structure, and,
- Increase safety for tenants.

Building System Replacement Program utilizes Corporate (AHFC) funds to address major roof replacement at Seaview Terrace senior/disabled housing in Ketchikan: replace siding at Glacierview senior/disabled housing in Seward, and replacement of roofing at Sunset Manor senior/disabled housing in Cordova.

This program is designed to address specific major repair or replacement items identified in a five-year look-ahead review of each rental site. It is intended to address repair or replacement of components with a known life span that can be scheduled for repair or replacement before deferred maintenance results in additional damage or untimely failure that would result in additional cost.
