Program Description:

This request will provide funding to continue the upgrades for accessibility to the AHFC Family Investment Centers, dwelling units, and common areas for family and senior/disabled housing to comply with the HUD Voluntary Compliance Agreement (VCA).

AHFC was subjected to an inspection by HUD in September 2006 for accessibility for individuals with disabilities. A report dated October 2006 was received by AHFC on September 27, 2007, which details compliance issues at six specific residential properties chosen randomly in Anchorage and Fairbanks and their respective Family Investment Centers.

The report details requirements to upgrade parking spaces, sidewalks, wheelchair ramps, kitchens, bathrooms, entry doors and appliances in AHFC offices, common areas, and dwelling units.

A VCA has been negotiated with HUD to address the accessibility issues over the course of a five-year program where AHFC is expected to upgrade a minimum number of units to satisfy the terms of the VCA with HUD.

Implementation of these accessibility upgrades will increase accessibility for individuals with disabilities, allow for aging-in-place for seniors and allow AHFC to comply with all applicable federal regulations. Implementing these tasks will also allow AHFC to remain in compliance with HUD mandates to maintain accessibility.
