Detailed Project Description and Justification:

This project will upgrade a local road to urban standards. Reclassification as a collector street is proposed. Improvements are expected to include pavement, curbs, pedestrian facilities, storm drainage, and street lighting. The specific scope will be developed in the design process which includes significant public involvement.

Design efforts have been funded and are underway. Project funding is proposed as a partnership of local road bonds and state grants. This road is not constructed to urban standards regarding pavement width, curbs, drainage, lighting, and pedestrian facilities. This project is a priority for the Scenic Foothills Community Council.

The grant funding may be used for planning, design, utility work, obtaining rights of way and easements, and any work associated with the improvements described above or associated amenities.

Project Timeline:

Utility relocation and easement acquisition expenses are expected to occur in 2014 and 2015. Construction expenditures are anticipated in 2015 and 2016.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Municipality of Anchorage
