Project Description

Principal's Priority 1

Sand Lake Elementary School would like to continue implementation of the Leadership program The Leader in Me. The Leader in Me is a schoolwide leadership- development process for both students and staff members—of which The 7 Habits of Highly Effective People is a foundational piece. It integrates timeless leadership principles into school culture, driving transformational results. This legislative grant would provide training and implementation materials for the program's 2nd year.

Benefits if Project is Funded

The Leader in Me is designed to be integrated into a school's core curriculum and everyday language. It becomes part of the culture, gaining momentum and producing improved results year after year, benefiting schools and students in the following ways:

- Helps students to gain the skills and self-confidence to succeed as leaders in the 21st century.
- Improves academic achievement.
- Decreases discipline referrals.
- Raises levels of accountability and engagement among both parents and staff.
