---

**Project Description**

**Principal's Priority**                      2

Mountain View is requesting grant funding for an additional 40 touch technology devices, 40 stylus pen's and educational applications. These devices may include ipod, ipads, or other tablet devices that are already sanctioned on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

**Benefits if Project is Funded**

Students will be exposed to skills necessary to gain employment and attend college in the 21st century. There is a direct correlation of engagement and technology in the classroom

**Impacts if Project is not Funded**

Impacts would be that would not be exposed to programs and applications that employers and colleges are requiring. They will not be engaged and will not have gained the skills or insights that these devices will provide.

**# of Students impacted by project**                      355
