Project Description

Principal's Priority 1

Eagle Academy is requesting grant funding for an additional 30 computers, with carrying cases and document cameras. These computers may include either desktop, laptop, or mini notebooks as allowed for on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

Our laptops are starting to show wear and some are unpredictable in terms of everyday use. We would like to be on some sort of technology plan that enables us to replace technology every four years but the budget prohibits this.

Impacts if Project is not Funded

of Students impacted by project 168

Project Start Year 2013

Project Finish Year 2014

Project has matching funds are available No

Project has prior state funding available No

Project has federal funding available No

Project has had a public review process Yes
