Has this project been through a public review process at the local level and is it a community priority? Yes No

Location Begich Middle School

Project Title: Touch Technology for Health and Fitness Classes

Amount of Funding Requested \$20,000.00

Total Funding to complete project \$20,000.00

Primary House District: 25 **Secondary House District(s):** 13,26

Primary Senate District: M **Secondary Senate District(s):** G

Project Description **Principal's Priority** 10

Begich is requesting grant funding for additional 30 touch technology devices and a cart to house them. These devices may include ipod, ipads, or other tablet devices that are already sanctioned on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

Providing this opportunity for students will help engage them in a physical education activity that will best suit their own personal goals. Having this technology will encourage students to be self-motivated and recognize the benefits of being physically active.
If this project is not completed, we will continue to look for ways to integrate technology tools in the physical education program.

Impacts if Project is not Funded

of Students impacted by project 1000

Project Start Year 2013

Project Finish Year 2014
