Juneau - School District Curricular Materials

State Funding Requested: \$150,000**House District: Juneau Areawide (31-32)**

One-Time Need

Brief Project Description:

Purchase new texts and related materials for approximately 2500 secondary students.

Funding Plan:

Total Project Cost:	\$150,000
Funding Already Secured:	(\$0)
FY2014 State Funding Request:	<u>(\$150,000)</u>
Project Deficit:	\$0

Detailed Project Description and Justification:

The Juneau School District has not had an annual line item for the purchase of curricular materials for several years. Typically, "carry-over" funds at the end of each year have been used to buy as many books and supplies as possible for the curricular area under review.

With a precariously low fund balance, depending on "carry-over" to buy curriculum is not possible. The regular six-year curricular review cycle has been re-established this year. English/language arts, which has not been considered for more than a decade, is in this year's rotation. Funds to purchase new texts and related materials will serve approximately 2500 secondary students. If the full request amount is not available, the district will prioritize replacements.
