The Honorable Les Gara
State Senate
Alaska State Capitol
Juneau, Alaska 99801-1182

Dear Representative Gara:

In the fall of 2012, the Anchorage School District began its process for reviewing potential requests of the Legislature for the upcoming capital budget process. Over the last few years, funding has been appropriated for items such as interactive display technology, cafeteria tables, and other items that have greatly benefited the students of Fairview Elementary School.

Staff of Fairview did not submit requests through the District's review process, but would like to request \$15,000 for Music and Physical Education Equipment for this capital budget cycle. District Administration, along with the Principal, support this request.

The Anchorage School District thanks you for your consideration.

Mike Abbott
