Office of the Governor Ten Year Expenditure Projection

The mission of the Office of the Governor is to ensure that state government is responsive to the needs of the citizens of Alaska, and that compelling needs within the state are recognized and addressed appropriately by providing support to the Governor and Lieutenant Governor in the policy issues and management of the Executive Branch of state government.

Core Services

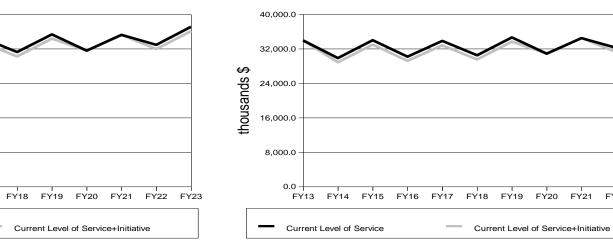

- ALASKA STATE COMMISSION FOR HUMAN RIGHTS. Enforce the Human Rights Law to prevent and eliminate discrimination through mediation, impartial investigation of complaints, conciliation, adjudication, public education and community outreach.
- REDISTRICTING PLANNING. Responsible for all preparation, development and adoption of statewide redistricting plan following the national census cycle.
- EXECUTIVE OPERATIONS. Support the Governor and Lieutenant Governor in implementing policy and in the daily management activities of the Executive Branch of state government.
- OFFICE OF MANAGEMENT AND BUDGET. To ensure the state's financial resources are budgeted and managed in a way that produces results that advance the Governor's priorities.
- DIVISION OF ELECTIONS. To conduct impartial, secure and accurate elections.

The following document provides an estimate of budget change over the next ten years. The fluctuations in base operating levels reflect the every-other-year funding increase and corresponding decrease related to statewide primary and general elections activity. This ten year plan includes the anticipated costs for the Redistricting Board's development and adoption of a redistricting plan following the decennial census. Also included in the base operating levels is additional funding for gubernatorial transitions every four years.
