Anchorage Park Foundation - Springer Park Safety Upgrades

State Funding Requested: \$50,000
One-Time Need**House District: Anchorage Areawide (11-27)****Brief Project Description:**

Neighborhood Park Safety Upgrades

Funding Plan:

Total Project Cost:	\$90,000
Funding Already Secured:	(\$40,000)
FY2015 State Funding Request:	<u>(\$50,000)</u>
Project Deficit:	\$0

Funding Details:

If funding from the AK Legislature is secured for this project, the Anchorage Park Foundation plans to commit \$40,000 of Rasmuson Foundation funding to neighborhood park.

Detailed Project Description and Justification:

Neighbors have identified a number of areas in which Springer Park needs improvement. The picnic tables need repainting and the wooden trash can containers are in disrepair. The lines demarcating the basketball court have worn off and the volleyball pits are run down. Graffiti covers the dilapidated play equipment, and the surfacing surrounding the play equipment is in poor condition.

In the summer of 2015, the Anchorage Park Foundation and Parks & Recreation Department plan to complete improvements in Springer Park with the help of community volunteers and the input of a neighborhood park committee. We invite the Alaska State Legislature to join us in investing in the future of Springer Park and the Spenard community. The Anchorage Park Foundation will match legislative investment in neighborhood park fix-its with volunteer involvement and generous support from the Rasmuson Foundation's Anchorage Parks Initiative.

Fix-It List Priorities

- Update playground and surfacing
- Replace picnic tables
- Repaint lines and repair cracks on basketball courts
- Add sand to volleyball pits and repair separation material

Dear Anchorage Legislator,

Every child deserves a place to play. My daughter, Anna, has spina bifida, which paralyzed her lower legs before she was born. Today, at age 7, she can get around with the help of a walker and a wheelchair. Although Anna participates in numerous adaptive sports, she has been unable to enjoy the most basic childhood activity--playing on a playground. Just last summer, Anna was told at summer camp that she had to sit on the sidelines and watch while her friends played because there was no equipment for her to play on. She just watched.

I decided that day that Anna and kids like her would have places to play right here in Anchorage.

I started the Parks for All grassroots initiative with two other mothers who have children experiencing disabilities: Christy Everett Jordan and Rachel Leask. Knowing that most Alaskans live here for the lifestyle and recreational opportunities, we share the mission to bring accessible play to all Alaskans of all ages and all abilities. For four years, we developed a true community partnership, securing individual donations on our own and working with the Anchorage Park Foundation and Anchorage Parks & Recreation to secure legislative grants and large private donations, all put toward the new inclusive, certified Boundless Playground at Cuddy Family Midtown Park. The playground was installed during the summer of 2013, and has been a hit with children of all abilities, their families and Anchorage's wounded warriors.

I thank the State of Alaska for contributing to this first project along with our other donors.

In 2013, in a great show of support for the Parks for All initiative, the Rasmuson Foundation set aside money for the Anchorage Park Foundation to fund Parks for All projects, including accessible and inclusive playground and park development. Working with multiple local and state organizations and experts in inclusive play, APF is putting some of that funding toward a strategic plan to help guide the Municipality of Anchorage Parks & Recreation Department's playground building efforts over the next 10 years.

Because of overwhelming community support, Alaska is seeing a statewide trend toward inclusive playgrounds. I join the Rasmuson Foundation and Municipality of Anchorage in supporting accessible recreation projects. Anchorage Park Foundation intends to include at least one accessible and inclusive playground or trail component in each of the projects listed below, and I am writing this letter in support of APF's legislative requests for those accessibility and safety improvements on behalf of Parks for All.
