*Funding Details:**No other source of funding has been requested for this project.**IAC receives state and federal grants for operating and received capital grants in 2012 for computer upgrades and outside building repairs and 2013 for rehabilitation of Permanent Supportive Housing Apartments.***Detailed Project Description and Justification:**

IAC has two copy machines purchased in 2004. Both of these machines have been under maintenance agreements and well maintained, however, there is no longer parts available to fix them. We have been notified that the manufacturer will no longer be offering maintenance agreements for these machines. Currently we have a service individual in at least monthly to get the machines going again. Once service is discontinued on December, 2013, these machines will no longer be functional and our a vital piece of our operations in both locations. One location is our emergency shelter for victims of domestic violence and sexual assault and the 2nd location is our batterer's intervention program.

**Project Timeline:**

Bids will be requested in July, 2014 and copy machines will be purchased by December, 2014.
