**State Funding Requested: \$1,100,000**  
One-Time Need**House District: Anchorage Areawide (11-27)****Brief Project Description:**

This project will reconstruct the road base, install a subdrain, replace the pavement and curbs, and upgrade the street lighting to current local street standards.

**Funding Plan:**

Total Project Cost:	\$9,000,000
Funding Already Secured:	(\$7,900,000)
FY2015 State Funding Request:	<u>(\$1,100,000)</u>
Project Deficit:	\$0

*Funding Details:*

A FY 2013 state grant provided all funding to date.

**Detailed Project Description and Justification:**

This project will reconstruct the road base, install a subdrain, replace the pavement and curbs, and upgrade the street lighting to current local street standards.

Project is in design. The design study report is complete and has estimated a higher than expected project budget. 2014 construction is anticipated if funding is available. This project is a priority for street maintenance and the local residents. High ground water has deteriorated the road base resulting in curb jacking and pavement failures.

The grant funding may be used for utility work, obtaining rights of way and easements, construction, and any work associated with the improvements described above or associated amenities.

**Project Timeline:**

Design, right-of-way acquisition, and utility relocation expenditures are anticipated in 2014-2015. Construction expense is expected in 2014-2015.

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

Municipality of Anchorage
