Detailed Project Description and Justification:

For project detail please refer to attached document.

In the event that bids and donations of materials and services allow, then after the completion of Priority #1 items, available funds would be used toward some of the Priority #2 list as identified by the principal.

The current funding request is for \$1,800,000 of the \$4,600,000 total needed to complete the project and would cover the below #1 priorities that were prioritized by the school.

- #1
- Lighting for the new football/soccer field
 - Bleachers for the visiting side of new football/soccer field
 - Purchase and install press box on home side bleachers on new football/soccer field

- #2
- Relocate track and old football field
 - Replace old football field with synthetic turf
 - Bleachers for the track facility

This request was developed at the school level, reviewed by District technical staff and endorsed by ASD leadership. All requests have been presented to the School Board. This project may require municipal approval of a site plan amendment. ASD will initiate the site plan amendment process if the project is funded.

Project Description

Principal's Priority

1

Lighting for the new football/soccer field
*Bleachers for the visiting side of new football/soccer field
*Relocate Track and old football field
*Purchase and install press box on home side bleachers on new football/soccer field
*Replace old football field with synthetic turf
*Bleachers for the track facility
Enhance entire athletic facility for maximum community utilization
for a variety of sports including cross country running, cross country skiing,
baseball, softball, and other outdoor community sports.

Benefits if Project is Funded

Increase use of the facility for all sports not only for Bartlett students, but for local community and for state level competition.
This facility will serve not only Northeast Anchorage, but attract statewide use for youth, high school age and community groups. Large events that currently take place at Bartlett such as the Gold Nugget Triathlon, Mayor's Marathon and multiple ski events will have enhanced capabilities for participants and fans. Additional events are expected at the facility.
Lighting of the soccer/football field will provide for additional utilization by school and community groups for additional events.
The track renovation is necessary as the track is over 30 year's old and in need to repair.
Renovation and improvement to the track facility will allow for attracting additional regional statewide events to Anchorage based on the facilities that are now in place.

Impacts if Project is not Funded

Whatever funds in FY 2015 that are provided will be utilized in a timeline to enhance the facilities at the site
