Project Description

Principal's Priority

1

Birchwood ABC Elementary is requesting grant funding for an additional 45 computers. These computers may include either desktop, laptop, or netbooks as allowed for on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

If completed, we can equip classroom teachers with 4-5 computers for use in their classrooms to accommodate student enrichment and intervention need.

Impacts if Project is not Funded

If not completed, students will remain limited to their class' weekly scheduled computer lab time for computer access. Birchwood ABC is currently well behind other area schools in classroom technology and will remain so if not completed.
