Project Description

Principal's Priority 1

Chester Valley is requesting grant funding for fiction and non-fiction library books, as our collection is out-of-date. The library needs to continue to add to its non-fiction and fiction collection. Anchorage School District has adopted the Common Core State Standards, which puts an emphasis on non-fiction literature. Grades K through 5 are to read 50% fiction and 50% non-fiction, necessitating the upgrade request.

Benefits if Project is Funded

The benefits of this project include increased student proficiency in reading, an increase in students selecting reading for pleasure, and increased library circulation. Teachers will benefit from the ready-source of engaging, CCSS-relevant texts.

Impacts if Project is not Funded

The Impact if our collection remains stagnant is fewer students engaging in reading for fun or utilizing our library, and as a result, a decrease in reading proficiency.
