Project Description

Principal's Priority 2

The sound system in the gym was part of the original construction at Mears Middle School. (1984/85). Currently, the system is not operational. This project would replace the system with a new one which would include all amps., speakers, microphones, and equipment to play back music.

Benefits if Project is Funded

Currently the sound system in our gymnasium is not useable. The PE curriculum would be enhanced with a new system along with providing another space that can be used by our entire community as well as rental groups.
