#### **Project Description**

## **Principal's Priority** 2

Request is submitted to add / install an acoustical ceiling to the Dimond High Auditorium. The rigging and counter weight systems are in place and no other modifications are needed in order to support the installation of a new ceiling.

#### **Benefits if Project is Funded**

The installation of an acoustical ceiling in the DHS auditeria will provide better in-room sound quality and will reduce noise that is transmitted through a normal ceiling. This acoustical ceiling will greatly enhance the sound quality of students'€™ performance.
