Eagle Academy Charter School is requesting grant funding for an additional 30 touch technology devices. These devices may include ipod, ipads, or other tablet devices that are already sanctioned on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

We want to stretch the educational demands placed on Eagle Academy's sixth grade class to include a personal computing device. This device will be used during class and for homework at home.
