Project Description

Principal's Priority

3

Huffman Elementary is requesting grant funding for an additional 64 touch technology devices. These devices may include ipod, ipads, or other tablet devices that are already sanctioned on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

This project will increase teacher efficiency in assessing students, recording, monitoring and tracking data for progress monitoring. These tools will also compliment additional technology tools we hope to acquire such as interactive white boards and functional computers.

Impacts if Project is not Funded

Without these tools teachers will continue to spend additional hours recording and tracking data that could be spent in more productive ways.
