Primary House District: 20 **Secondary House District(s):** 18,21

Primary Senate District: J **Secondary Senate District(s):** I,K

Project Description

Principal's Priority

5

Even though our resources are limited, it is essential that we keep our library collection up-to-date, vibrant and engaging. Our goals are to continue to update the Inlet View Library materials to align the collection with Common Core standards and provide our students with high interest reading choices. With the emphasis of informational texts throughout the Common Core standards, it is crucial the collection continues to improve that particular area. By providing a variety of reading options, we also strive to meet the needs of all students, both reluctant and high achieving. Having choice in reading material has been found to be a fundamental component in improving reading skills and therefore improving reading test scores.

Benefits if Project is Funded

Impacts if Project is not Funded

Without updating our collection, students will not have access to a vibrant collection that is aligned with Common Core standards. Therefore students will become less motivated readers and will jeopardize their overall achievement.

of Students impacted by project 250

Project Start Year 2014

Project Finish Year 2015

Project has matching funds are available **No**

Project has prior state funding available **No**

Project has federal funding available **No**
