Project Description

Principal's Priority 1

Muldoon Elementary is requesting funding to replace existing furniture that is in need of replacement and repair from general usage by large numbers of children. A previous years legislative grant allowed us to complete a Phase 1 of our project to get needed chairs, desks, and tables. Another phase of the project would allow us to complete replacements of broken and damaged school furniture and guided reading tables for each classroom.

Benefits if Project is Funded

K-5 classroom teachers have furniture that is safe for students and staff use. A guided reading table will be purchased for small group reading and math instruction for each classroom as well. Having all of this furniture will help classroom teachers be able to effectively do their jobs.
