#### **Project Description**

Principal's Priority

2

Muldoon Elementary is requesting funding for snow removal equipment. Muldoon Elementary has large areas of walkways and side walk surround our school. Due to the traffic patterns into and out of the school these sidewalks are the only entrance into and out of the school. Students, parents, and community members utilize these walkways daily. The large amount of snow fall annually and the current traffic patterns our current snow removal equipment is not enough to keep walkways clear. make the removal of snow a safety and logistics priority.

#### **Benefits if Project is Funded**

K-5 students and their families, and neighbors will clear and consistent access to the entrance of the school.
