Project Description

Principal's Priority 5

Muldoon Elementary is requesting funding for additional PE equipment. Muldoon's PE department requests school sets of indoor and outdoor equipment such as: balls, nets, rackets, carts, snow shoes, and cross country skis/poles/boots to be used during PE classes, after school enrichment experiences, family nights, and during lunch recess. Storage carts or racks would be necessary accessory items for these addition to our PE program. Our entire school staff and student body could use the equipment during family night events that happen monthly at our school site.
