Project Description

Principal's Priority 2

O'Malley Elementary is requesting grant funding for an additional 30 computers. These computers may include either desktop, laptop, or netbooks as allowed for on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

This grant will allow more students to access and benefit from learning by providing teachers with the ability to access and use technology daily in their classrooms and with small groups, rather than weekly computer lab time. This technology will be supported through our active technology committee and district specialists so that more students will benefit from this meaningful integration on a daily basis.
