**Principal's Priority** 1

Ptarmigan Elementary School is requesting grant funding for an additional 60 touch technology devices. These devices may include ipod, ipads, or other tablet devices that are already sanctioned on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

**Benefits if Project is Funded**

Without this funding, student access to technology to be limited by continuously decreasing budgets and the inability to generate funds from our PTA. We are a Title One school with 100% economically disadvantaged. Having 1:1 technology for our students will provide the tools to assist our student in developing skills to eventually enter the workforce with technological skills.. Our students are dependent on the public school system to provide them with the skills to be prepared and be productive citizens in the 21st Century workplace.
