**Project Description**      **Principal's Priority**      3

Our snow tractor is frequently in the shop. It is old and a new one would allow better snow removal for safety of our students, staff, and visitors.

**Benefits if Project is Funded**

It would assure safety when our students and community walk around school grounds. If we do not get a new snow tractor, then there will be times that our grounds are not fully shoveled/blown and thus cause a safety hazard for those on our school grounds.
