Project Description

Principal's Priority 3

Rogers Park Elementary School is requesting grant funding for the replacement of all hallway's current dim and inefficient lighting system with High Efficiency T8 Fluorescent Lighting. Improved hallway lighting is sorely needed and would go a long way toward improving the school's overall learning environment, interior atmosphere and appearance.

Benefits if Project is Funded

Improved hallway lighting would:

- + Increase student and staff safety
- + Reduce energy costs
- + Improve student and staff morale during Alaska's long, dark winters
- + Improve student and staff productivity
- + Make the building more welcoming to everyone, including students, staff,
- parents and the public + Better spotlight student work
- Give the building a fresh, bright feel at the fraction the cost of more expensive improvements
