Project Description

Principal's Priority

1

Purchase of snow removal equipment. Trailside's snow blower is 14 years old and is continually being repaired. While it is in the shop for repair, we have no way to remove snow. We are requesting funds for a John Deere 4x4 Garden Tractor with heated cab and snow blower attachment.

Benefits if Project is Funded

Benefits of this project include clear, safe access to school through the prevention of ice buildup. If we cannot purchase new snow removal equipment, the entrances to the school as well as the playground become safety hazards.

Impacts if Project is not Funded
