# North Pole - Redesign of City Hall and Police Station

**State Funding Requested: \$360,000****House District: Fairbanks Areawide (1-5)**

One-Time Need

**Brief Project Description:**

The City of North Pole seeks a completed set of plans for the expansion of City Hall and the Police Station.

**Funding Plan:**

Total Project Cost:	\$400,000
Funding Already Secured:	(\$40,000)
FY2015 State Funding Request:	<u>(\$360,000)</u>
Project Deficit:	\$0

**Detailed Project Description and Justification:**

The City of North Pole needs a completed plans to connect City Hall and the Police Station to save money and increase efficiency. The Police Station was originally City Hall until 1985 when the new City hall was built next door. The two buildings have seen substantial renovations since their initial construction and are slowly becoming too small for the growing city. A shelf ready set of plans for expansion would help the City of North Pole prepare for the construction of these much needed facilities. The design and engineering for this project would include connecting the two buildings and include some of the following aspects:

- New office space for our Clerk with secure doors for personnel information
- Archiving and storage space at City Hall
- New evidence locker for the police department
- Warm storage for Police Dept. equipment
- Redesign the roof to match the two buildings
- New entry for police and City Hall with enhanced security for Admin. staff

**Project Timeline:**

Plans will be commissioned once funds are secured.

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**
