Catholic Community Service - Senior Center 10 Burner Range, Copier, Dining Chairs, and Heated Meal Bags

State Funding Requested: \$20,000**House District: 34 / Q**

One-Time Need

Brief Project Description:

The Senior Center requires a new electric 10 burner, double-oven range to produce the quantity of meals needed. Also required is a new copier, 50 dining chairs, and two heated meal bags for home meal deliveries.

Funding Plan:

Total Project Cost:	\$20,000
Funding Already Secured:	(\$0)
FY2015 State Funding Request:	<u>(\$20,000)</u>
Project Deficit:	\$0

Funding Details:

Since 1974, the majority of senior center funding comes from the Older Americans Act and is funneled through either the State or the Tribe. Most of this funding is needed to pay staff who provide nutrition and transportation services for local elders.

Detailed Project Description and Justification:

The current stove/oven is old and does not have enough burners for the quantity of cooking required at the site. The office copier is old and can no longer be repaired, as parts are no longer being carried. The Swan Lake Senior Center in Sitka employs many local staff and serves hundreds of seniors and people with disabilities each year. The demand for photocopying is huge, including monthly report data sheets, timesheets, invoices, applications, driver logs, Participation Registration Forms, food orders, and employment documents. Sitka provides two routes of home delivered meals. The old "heated" brick system was no longer working to keep the volume of meals at a safe temperature. The plug in heated bags are working for Sitka but are expensive. To meet the volume of HDMS two more heat/cold bags are needed. Sitka's dining room chairs are old and are being held together with black duct tape/electrical tape. They are unseemly and must be replaced for the comfort and safety of our elderly clients.

Project Timeline:

As soon as notice of funding is received, we will order the equipment and supplies, hoping to receive in the summer of 2014.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Catholic Community Service

Grant Recipient Contact Information:

Name:	Sandra Koval
Title:	Site Manager
Address:	402 Lake Street Sitka, Alaska 99835
Phone Number:	(907)747-8617
Email:	sandra.koval@ccsjuneau.org

Has this project been through a public review process at the local level and is it a community priority? Yes No
