# Catholic Community Service - Senior Center Commercial Dishwasher Replacement

**State Funding Requested: \$10,000****House District: Juneau Areawide (31-32)**

One-Time Need

**Brief Project Description:**

The commercial dishwasher for Juneau's senior citizen nutrition program requires replacement.

**Funding Plan:**

Total Project Cost:	\$10,000
Funding Already Secured:	(\$0)
FY2015 State Funding Request:	<u>(\$10,000)</u>
Project Deficit:	\$0

*Funding Details:*

Operational funding of Juneau's senior citizen nutrition program comes primarily from the Division of Senior and Disabilities Services. The program has operated since 1974, available to all Juneau citizens, age 60 and over.

**Detailed Project Description and Justification:**

The commercial dishwasher at the Juneau Senior Center kitchen is past its useful life.

It is getting more and more expensive to keep it in good repair. Single repairs can run up to \$2,000. The kitchen prepares approximately 150 meals each weekday and having a safe, dependable dishwasher is essential. The kitchen crew is very small--just two cooks, one kitchen aide and one part-time MASST worker volunteer dishwasher. With this limited staff, it is very difficult to use the 3-compartment sink method of dishwashing.

**Project Timeline:**

Shortly after notification of funding approval, we will order the dishwasher, to be installed in the summer of 2014.
